Discussion	<p>a.) Existing Industry Appreciation Dinner- The Dinner has been set for October 22, 2015. Had some conversations with Champions retreat but it would mostly be outside. Their quote was \$3,200 for 50 people but beverages were an additional fee. Should we invite smaller companies (stage II companies are 10-99 employees) that are growing? These companies make up the majority of the job base. If they are growing, they need to be recognized as well.</p> <p>b.) BRE- Robbie is working on short term goals and looking at doing the survey again in the spring but would like to focus on implementing a matrix that we can measure our success. How many company visits? Grading system? Robbie would like to focus on the stage II companies because they can easily be homegrown stage three companies like Tax Slayer. Robbie had an article on Economic Gardening for the board's reference.</p>
